65,000-mile warranty

Insignia SE 200
Insignia means excellent value. Added technology features make it an even bigger value for drivers. UNI-T technology improves wet handling and silica added to the tread improves wet traction. Along with all-season construction and the security of an excellent warranty, you get performance excellence – just what you'd expect from a Bridgestone tire.

BRIDGESTONE

50,000-mile warranty

Dueler A/T 695
Has benefits that any driver can get behind. 2-in-1 tread block design contributes to increased on-road stability. Silica-based tread compound contributes to wet grip and open shoulder slots aid water evacuation. Interlocking tread notches and aggressive off-shoulder tread blocks provide bite in mud and snow and a noise-optimized tread design provides a smooth, quiet ride without sacrificing traction or wear life.

50,000-mile warranty

Destination A/T
Is the SUV and light truck all-terrain tire for drivers who want to go wherever the road leads – from main street to the woods. With UNI-T technology, it's built to adapt to travel in wet or dry weather. Gives you an extra measure of confidence in handling and braking on rainy days. All-terrain performance is complemented by added technology that promotes a smooth, quiet ride.

Firestone
A TRADITION OF INNOVATION

60,000-mile warranty

Destination LE
Engineered to give light trucks and SUVs the advantage of UNI-T technology, it allows for comand of the road with comfort. Combining outstanding performance on wet and dry roads with the comfort and quiet of passenger tires, makes for a relaxing ride on long commutes. With a 60,000 mile limited treadwear warranty, it's built to go the distance and give you plenty of time to enjoy the ride.
